

Report of the auditor-general to the Free State Legislature and the council on the Thabo Mofutsanyana District Municipality

Report on the financial statements

Introduction

1. I have audited the financial statements of the Thabo Mofutsanyana District Municipality set out on pages xx to xx, which comprise the statement of financial position as at 30 June 2015, the statement of financial performance, statement of changes in net assets, cash flow statement and statement of comparison of budget and actual amounts for the year then ended, as well as the notes, comprising a summary of significant accounting policies and other explanatory information.

Accounting officer's responsibility for the financial statements

2. The accounting officer is responsible for the preparation and fair presentation of these financial statements in accordance with South African Standards of Generally Recognised Accounting Practice (SA Standards of GRAP) and the requirements of the Municipal Finance Management Act of South Africa, 2003 (Act No. 56 of 2003) (MFMA) and the Division of Revenue Act of South Africa, 2014 (Act No. 10 of 2014) (DoRA), and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor-general's responsibility

3. My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with International Standards on Auditing. Those standards require that I comply with ethical requirements, and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the municipality's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

6. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Thabo Mofutsanyana District Municipality as at 30 June 2015 and its financial performance and cash flows for the year then ended, in accordance with SA Standards of GRAP and the requirements of the MFMA and DoRA.

Emphasis of matters

7. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Financial sustainability

8. Note 29 to the financial statements indicates that the Thabo Mofutsanyana District municipality incurred a net loss of R23 121 914 (2014: R4 785 616) during the current year and, as of 30 June 2015, the municipality's total liabilities exceeded its total assets by R13 022 741. The conditions that led to this are set out in the disclosure note.

Restatement of corresponding figures

9. As disclosed in note 36 to the financial statements, the corresponding figures for 30 June 2014 have been restated as a result of errors discovered during 2014-15 in the financial statements of Thabo Mofutsanyana District Municipality at, and for the year ended, 30 June 2014.

Additional matter

10. I draw attention to the matter below. My opinion is not modified in respect of this matter.

Unaudited disclosure notes

11. In terms of section 125(2)(e) of the MFMA the municipality is required to disclose particulars of non-compliance with the MFMA. This disclosure requirement did not form part of the audit of the financial statements and accordingly I do not express an opinion thereon.

Report on other legal and regulatory requirements

12. In accordance with the Public Audit Act of South Africa, 2004 (Act No. 25 of 2004) (PAA) and the general notice issued in terms thereof, I have a responsibility to report findings on the reported performance information against predetermined objectives for selected key performance areas (KPA)s presented in the annual performance report, compliance with legislation and internal control. The objective of my tests was to identify reportable findings as described under each subheading, but not to gather evidence to express assurance on these matters. Accordingly, I do not express an opinion or conclusion on these matters.

Predetermined objectives

13. I performed procedures to obtain evidence about the usefulness and reliability of the reported performance information for the following selected KPAs presented in the annual performance report of the municipality for the year ended 30 June 2015:
 - KPA 2: Basic service delivery on pages x to x
 - KPA 4: Municipal transformation and organisational development on pages x to x
14. I evaluated the reported performance information against the overall criteria of usefulness and reliability.
15. I evaluated the usefulness of the reported performance information to determine whether it was presented in accordance with the National Treasury's annual reporting principles and whether the reported performance was consistent with the planned KPAs. I further performed tests to determine whether indicators and targets were well defined, verifiable, specific, measurable, time bound and relevant, as required by the National Treasury's *Framework for managing programme performance information* (FMPPI).
16. I assessed the reliability of the reported performance information to determine whether it was valid, accurate and complete.
17. I did not identify material findings on the usefulness and reliability of the reported performance information for the following KPAs:
 - KPA 2: Basic service delivery
 - KPA 4: Municipal transformation and organisational development

Additional matters

18. Although I identified no material findings on the usefulness and reliability of the reported performance information for the selected KPAs, I draw attention to the following matters:

Achievement of planned targets

19. Refer to the annual performance report on page(s) x to x and x to x for information on the achievement of the planned targets for the year.

Adjustment of material misstatements

20. I identified material misstatements in the annual performance report submitted for auditing on the reported performance information for KPA 2: Basic service delivery and KPA 4: Municipal transformation and organisational development. As management subsequently corrected the misstatements, I did not identify material findings on the usefulness and reliability of the reported performance information.

Unaudited supplementary information

21. The supplementary information set out on pages xx to xx does not form part of the annual performance report and is presented as additional information. I have not audited these schedules and, accordingly, I do not report thereon.

Compliance with legislation

22. I performed procedures to obtain evidence that the municipality had complied with applicable legislation regarding financial matters, financial management and other related matters. I did not identify any instances of material non-compliance with specific matters in key legislation, as set out in the general notice issued in terms of the PAA.

Internal control

23. I considered internal control relevant to my audit of the financial statements, annual performance report and compliance with legislation. I did not identify any significant deficiencies in internal control.
